Keynote Speeches at the Bilfinger booth

11:00 - 11:30 am

Ultrapure- and Wastewater Systems for Semiconductor and Battery Fabrication

Michael Kiefer

2:30 - 3:00 pm

How Professional Maintenance Improves Plant Performance

Oksana Roman & Juergen Liedl

4:00 - 4:30 pm

Efficiency through Digitalization: Proven App Suite for a better Turnaround Performance

Dennis Lubsch

Monday, June 10

ACHEMA2024
Hall 9.0 | Booth D56

A circular graphic with a green-to-blue gradient background. Inside the circle is a photograph of two industrial workers in high-visibility yellow jackets and hard hats, looking upwards. In the background of the photo is an industrial plant with tall chimneys. Three "CO2" labels with downward-pointing arrows are overlaid on the image, suggesting carbon emissions or capture.

Keynote Speeches at the Bilfinger booth

10:00 - 10:30 am

Bilfinger Maintenance Solution to ensure Efficiency and Sustainability of a plant

Oksana Roman

2:30 - 3:00 pm

The Net Zero Approach by Bilfinger

Maja Vrcelj & Jordi Koes

4:00 - 4:30 pm

Fast Track Expansion of Cell Culture Facility Capacities at Locations in Europe and the USA

Pablo Pino Grace

Tuesday, June 11

ACHEMA2024
Hall 9.0 | Booth D56

A circular graphic featuring a world map background. In the center, there is an industrial facility with tall chimneys emitting smoke. Three arrows labeled "CO2" point downwards from the chimneys. In the foreground, two workers in high-visibility yellow jackets and hard hats are looking upwards.

Sustainability

Keynote Speeches at the Bilfinger booth

10:00 - 10:30 am

Digitalisation and Robotics driving Efficiency and Safety in Scaffolding
Joe Wallinger

2:30 - 3:00 pm

Ensuring Efficiency & Sustainability: Maintenance Practices at a Battery Plant
Jan Erik Kukkonen

Wednesday, June 12

Sustainability

Keynote Speeches at the Bilfinger booth

10:00 - 10:30 am

Data-based decisions – Bilfinger Collaboration & App Plattform (BCAP®)
Alexander Berdin

2:30 - 3:00 pm

Precision Fermentation enables Sustainable Food Production
Gerald Berghammer

4:00 - 4:30 pm

Bilfinger as key partner in the Energy Transition
Massimo Pardocchi

ACHEMA2024
Hall 9.0 | Booth D56

A circular graphic featuring a world map background. In the center is a photograph of two industrial workers in high-visibility yellow jackets and hard hats, looking upwards. The background of the photo shows an industrial facility with tall chimneys emitting smoke. Three "CO₂" labels with downward-pointing arrows are overlaid on the image, indicating carbon emissions.
